ABOUT BS AROMAS

FRAGRANT PRODUCTS FOR EVERYDAY RITUALS & TRADITIONAL PRACTICES

BS Aromas brings together fragrance, traditional practices and carefully developed end products through its range of incense sticks, incense cones, sambrani cups and Hawan Samagri. Our products are created for everyday prayer, meditation, spiritual practices, festive occasions and traditional rituals.

We focus on delivering products with consistent fragrance, dependable performance and carefully selected aromatic ingredients, while maintaining the familiar character associated with traditional incense and ritual products.
